## PROFESSIONAL SUMMARY

---

Web Developer with 3 years of experience creating responsive web applications using modern JavaScript technologies. Skilled in React.js, JavaScript (ES6+), and frontend performance optimization. I enjoy collaborating with diverse teams to build user-centered products and am always eager to continue growing through new challenges.

## WORK EXPERIENCE

---

### ALPHACREW STUDIO LLC

Web Developer

Richardson, Texas

July 2022 – Present

- Built a video generation app using a third-party render engine, enabling dynamic voiceover integration and bulk rendering support.
- Developed full-stack dashboard modules—including analytics, notifications, and order/contact management—for a Video Marketing platform.
- Led development of business management modules like applicant tracking, payroll, and scheduling systems.
- Automated operational tasks using Google Cloud Scheduler and email workflows.
- Implemented dynamic features and custom interfaces.
- Optimized frontend performance and cross-browser compatibility.
- Customized WordPress frontend solutions, adapting designs and interactions to meet client needs.

## EDUCATION

---
